

St. John's UCC Chesterfield. Senior Ministry Questionnaire

Our Visioning Committee identified a need for a Senior Ministry. The Council agreed and a committee is in processing of forming and exploring needs of our seniors and others in our community.

This questionnaire is to help identify needs and our resources. Please take a few minutes to complete this questionnaire and place in an offering plate or the office (Carol Tindira's box).

Prayer chain: I would use this service__
I know someone who would use this service__
I would participate__
